**Public Comment:**

John Davis of Town House Road commented on the ongoing problems at 670 Town House Road concerning nuisance dogs. He has provided pictures, letters, and made comments at past Selectmen meetings with little results. He wants to know what else he can do to live a peaceful life in his home without being approached by the nuisance and dangerous dogs across the street. He also said he cannot even go to his mailbox or work on his car without the dog approaching him.

The Selectmen assured him all is being done legally to restore his peace.

Bill Suggs another resident in the same area of Town House Road had same concerns with ordinance enforcement. The problem has been going on for six years and nothing is being done to enforce the ordinance.

Mr. Chalane reminded him that the law must be followed and there are procedures that sometimes take longer than we like. He and Mr. Fuller added, ordinances are always being updated as many are out of date.

NON-PUBLIC IF NEEDED PER (RSA 91-A:3, II (a-l))

Mr. Fuller made a motion to adjourn, Mr. Meisner seconded. all in favor.
