

Minutes of October 2nd work session 5:00 2017
Prepared by Henry spencer

Opened at 5:00
Topics discussed:

To be announced at meeting of October 3rd: a public hearing on proposed changes in fees at transfer station will be set for 5:00 October 24th at 5:00. To be followed by monthly work session.

How and if possible to use Effingham Fire equipment to assist in the cleaning out of numerous culverts in town. Concerns over insurance on equipment to be clarified.

Set paving project for 2018: Starting from the end of Champion Hill road and continuing for approx. 9000 plus feet. Further discussion of using the SB38 monies for preparatory earth work. Also, to possibly use current road contract holder to do the work. Further consideration of SB38 money to be used to do overall culvert maintenance.

Insure that those who will be doing the snow shoveling this winter have an up to date and complete list of requirements.

Combining of future cement work to be done at transfer station and firs station two for 2018 project. Selectmen have been told that this would save some money.

Request five thousand dollars in up-coming budget to hire grant writers.

Establish reasonable estimate for removal of site line obscuring brush and over hanging branches along town roads. Request funding in 2018 budget.

Time spent discussing beaver problems and solutions.

Reviewed properties for sale at auction of October 4th. Minimum bids were established.

Meeting was adjourned at 6:45.
