

Selectman's work session minutes Dec 27 2016

A duly posted special work session and meeting was held Tuesday the 27 starting at 1:00

In attendance were Henry Spencer, Lawrence Edwards and Lenny Espie. At and a general discussion concerning their qualification a bridge designer was held. A short discussion was held about the 2 bridges in town of primary concern.

At 1:40 all parties met at Snow road bridge to evaluate the situation and being the discussion on replacement of bridge.

At 2:10 all parties met at Granite road bridge and held a similar discussion.

At 2:50 all parties met at town office to hold further discussion concerning both Eckman LLC's qualifications and options for bridge work they placed on the table. The board motioned and voted to instruct Eckman LLC., to hire the services of a company to do some core testing at both bridge site as this information will be needed to establish an accurate estimate on costs for individual projects.

At 3:30 the selectmen held a very informal discussion and review of selectmen's budget.

Meeting ended at 4:10
