

**Town of Effingham
Board of Selectmen
Work Session Minutes**

July 25, 2017

Selectmen present: Henry Spencer

Leonard Espie

John Meisner

Transcribed by Christine Holbrook

Work session started at 5 pm

Discussion on selling old fire truck located at transfer station, Sale to be posted in a week and to be approved at next meeting. Receiving new forestry truck and expenses involved.

Granite slabs were discussed and how to disperse them, non profits in town should benefit rather than sell.

Discussion made to buy a snow blower for use at Municipal building.

Transfer Station fees set at 20.00 for white goods and 10.00 fee for dump sticker to be discussed at next Selectman's meeting to set date for public meeting.

Winter Road contract has been posted and current sent to previous holder.

Discussion on large road projects included a top coat for Highwatch Road continuing the 3 year plan. State money is being made available for roads and bridges.

Discussion on possible road agent and posting road plans on town web site.

Fire station cement skirting still needs estimates, Selectman Espie will get estimates.

Selectman Spencer has been in touch with Ekman concerning the Elm St Bridge estimate not being received yet, Ekman states everything is on schedule. Bids will close at 5pm Tuesday, Ekman will review bids, Selectmen will make final decision.

Motion to adjourn by Selectman Espie seconded by Selectman Spencer at 6:13 pm
